AN ETERNAL JOURNEY ACROSS THE FOUR YOGAS

The First Annual Function of The Prominence World School – 2026

The Prominence World School celebrated its First Annual Function on 31st October 2026 with intense enthusiasm and grandeur, presenting a spectacular journey through the four Yogas of Indian mythology under the theme “An Eternal Journey Across the Four Yogas.”

The celebration was a remarkable confluence of India's rich cultural heritage, timeless wisdom and contemporary aspirations. The evening commenced with the auspicious lamp lighting ceremony, followed by the welcome address and the Annual Report presented by the Principal. The address by the Chief Guest further added significance to the occasion.

The highlight of the celebration was an artistic portrayal of the four Yogas, taking the audience through the timeless journey of civilisation, values and human evolution.

The presentation began with Satyug – The Age of Truth, depicting an era of righteousness, purity, peace and spiritual wisdom.

Tretayug – The Ramayana

It then progressed to Tretayug – The Ramayana, bringing alive the ideals of Lord Rama, devotion, sacrifice, courage and the eternal victory of good over evil.

Dwaparyug – The Era of Dharma

The journey continued into Despayrug – The Era of Dharma, reflecting the profound teachings of the Bhagavad Gita, the unshakable of righteous action and the eternal wisdom of Lord Krishna.

Kaliyug – The World of Today

Finally, Kaliyug – The World of Today offered a thoughtful reflection on contemporary society, its challenges, changing values and the responsibility of the younger generation in shaping a better tomorrow.

CELEBRATING TRADITIONS, VALUES & TOGETHERNESS

October was a month filled with cultural pride, festive cheer and meaningful celebrations at The Prominence World School. Through various observances and festivities, students had opportunities to connect with India's rich heritage, appreciate timeless values and experience the joy of togetherness.

The school commemorated Gandhi Jayanti, remembering Mahatma Gandhi and his enduring ideals of truth, non-violence, simplicity, and peace. The occasion served as a reminder that honesty, compassion and peaceful coexistence are values that must be practised in everyday life.

The celebration of Dussehra brought alive the timeless message of the victory of good over evil. Through age-appropriate activities and a special Bagless Day, students explored the significance of righteousness, courage and the triumph of positive values.

Each celebration was a reminder that festivals are not merely occasions of joy; they are meaningful opportunities to understand our roots, embrace our values and strengthen the bonds that unite us.

At Prominence, we celebrate not just festivals, but the values, traditions and memories that make every celebration special.
