Prominence Excels at Inter-School Competitions

The month of July brought immense pride to Prominence World School as our students showcased exceptional talent and determination at various inter-school competitions. Their remarkable performances reflected creativity, confidence, teamwork, and a spirit of excellence, bringing laurels to the school and inspiring the entire Prominence family.

Shreyasi represented the school in the Inter-School Art Competition, earning appreciation for her artistic creativity and outstanding presentation.

Our talented **Nukkad Natak** Team comprising **Lakshya, Avni, Avni Bhati, Gaurbhi, Vaatsalya, Devanshi, and Udyotini** delivered a powerful street play that captivated the audience through its impactful message, expressive performances, and excellent coordination.

Representing the school at the **Earth Summit Competition**, **Aayushi and Aatrike of Class VI** confidently presented innovative ideas on environmental sustainability, demonstrating leadership, critical thinking, and environmental awareness.

These accomplishments reflect the dedication of our students, the guidance of their teachers, and the school's commitment to nurturing excellence beyond the classroom.

INTER-HOUSE COMPETITIONS FOSTER CONFIDENCE AND LEADERSHIP

A series of exciting Inter-House Competitions provided students with opportunities to develop creativity, communication, leadership, and teamwork while encouraging healthy competition.

The Health Management Presentation Competition enabled students to present informative ideas on balanced nutrition, hygiene, mental wellness, and healthy living through well-researched presentations.

The Mindful Speech Competition witnessed enthusiastic participation as students confidently expressed their thoughts on socially relevant topics, strengthening their public speaking and critical thinking skills.

Students also displayed exceptional creativity and collaboration during the Inter-House Role Play Competition, bringing meaningful themes to life through expressive performances and confident stage presentations.

These competitions provided a meaningful platform for students to discover their potential while developing essential life skills.

Inter-School Gita Recitation Competition Celebrates Talent and Tradition

Prominence World School successfully hosted the Inter-School Gita Recitation Competition, where distinguished judges from Chinmaya Mission, Noida evaluated participants on pronunciation, expression, confidence, and understanding of the sacred verses of the Bhagavad Gita. The event beautifully reflected the school's commitment to preserving India's rich cultural and spiritual heritage while nurturing confidence and oratory skills among young learners.

Students from various classes participated with devotion and enthusiasm, presenting the verses with remarkable clarity and expression. Their performances showcased discipline, dedication, and respect for the timeless teachings of the Bhagavad Gita.

Adding another feather to the school's cap, Manasvi Sharma (UKG), Madhav (Class I), and Kavya Arora (Class V) delivered outstanding

performances and were selected for the next round of the competition. Their achievement is a matter of great pride for the entire school community and stands as a testament to their hard work and perseverance.

The competition not only celebrated India's spiritual legacy but also inspired students to embrace values of discipline, confidence, and lifelong learning.

SDG FOCUS – JULY 2026

Quality Education (SDG 4)

“Learning Today, Leading Tomorrow”

The month of July was dedicated to **Sustainable Development Goal 4 – Quality Education**, reaffirming **Prominence World School's** commitment to providing inclusive, equitable, and holistic learning experiences. Through a thoughtfully planned blend of academic, experiential, cultural, and value-based activities, students were encouraged to become confident learners, critical thinkers, and responsible global citizens.

Aligned with the vision of **SDG 4**, the school organised a variety of engaging

activities that promoted creativity, collaboration, communication, leadership, and lifelong learning. From classroom learning to inter-house competitions and experiential programmes, every initiative was designed to ensure that education remained meaningful, enjoyable, and accessible to every learner.

The celebration of Guru Purnima, the Inter-School Gita Recitation Competition, skill-based activities, and collaborative classroom experiences enabled students to appreciate India's rich cultural heritage while developing confidence, discipline, and strong moral values. These activities reinforced the belief that education is not merely about academic excellence but also about character building and holistic development.

By integrating knowledge with values and innovation, Prominence World School continues to empower students with the skills and mindset needed to thrive in an ever-changing world.

ACTIVITY SNAPSHOTS

DOCTOR'S DAY CELEBRATION

Students expressed their gratitude towards healthcare professionals through interactive classroom activities, discussions, and creative presentations that highlighted the importance of doctors in building a healthy society.

— Correspondent

Guru Purnima Celebration

The school celebrated Guru Purnima with great devotion and enthusiasm. Students honoured their teachers through cultural presentations, songs, speeches, and creative activities, expressing gratitude for their guidance and inspiration.

— Correspondent

Yoga Story Time

Young learners participated in Yoga Story Time, where storytelling was combined with simple yoga postures to promote physical fitness, concentration, and mindfulness in an engaging manner.

— Correspondent

LEARNING CHECKPOINT ACTIVITIES

Periodic Learning Checkpoint activities encouraged students to reflect on their understanding, reinforce key concepts, and monitor their academic progress through engaging classroom assessments.

COMMUNITY OUTREACH & SEWA

COMPASSION IN ACTION: INSPIRING YOUNG HEARTS THROUGH SERVICE

Compassion in Action: Inspiring Young Hearts Through Service

Prominence World School firmly believes that education extends beyond classrooms and textbooks. It is equally important to nurture empathy, kindness, and a sense of social responsibility among students. During the months of May and July, the school organised meaningful **SEWA and Community Outreach initiatives** that encouraged students to become compassionate and responsible citizens while contributing positively to society.

Through various service-oriented activities, students experienced the joy of sharing, caring, and making a difference in the lives of others. These initiatives reinforced the values of generosity, gratitude, and selfless service, reminding learners that every small act of kindness has the power to create a lasting impact.

Donation Drive Encourages the Spirit of Giving

As part of the school's Community Outreach Programme, students, parents, teachers, and staff enthusiastically participated in a Donation Drive, contributing essential items for those in need. The initiative inspired students to understand the importance of sharing resources and extending support to underprivileged members of society.

The activity encouraged learners to practise empathy and recognise that true happiness lies in helping others.

— Correspondent

SEWA Activities Build Responsible Citizens

The SEWA Programme continued to provide students with opportunities to serve society through meaningful acts of kindness and social responsibility. Through thoughtfully planned activities, learners developed respect for every individual while understanding the importance of compassion, cooperation, and community service.

These experiences strengthened values that will guide students in becoming responsible and socially conscious citizens.

— Correspondent

Learning Beyond the Classroom

Community Outreach and SEWA activities enabled students to connect classroom learning with real-life experiences. By participating in service initiatives, they developed leadership, teamwork, communication, and problem-solving skills while understanding the significance of collective responsibility towards society.

The activities encouraged students to appreciate diversity, practise gratitude, and contribute towards building an inclusive and caring community.

— Correspondent

Service Before Self

The outreach initiatives carried out during May and July reminded students that education is most meaningful when it inspires individuals to serve others with humility and compassion. Every activity strengthened the belief that responsible citizenship begins with simple acts of kindness and grows through consistent efforts to make society a better place.

Prominence World School remains committed to nurturing young learners who are not only academically accomplished but also empathetic, ethical, and socially responsible individuals.

Growing Together: Building Emotionally Strong and Resilient Learners

At Prominence World School, the emotional well-being of every child is regarded as an essential part of holistic education. Throughout the month of July, a series of thoughtfully designed Social Emotional Learning (SEL) and Mental Wellness activities were conducted under the guidance of **Ms. Nandita and Ms. Anu**. These sessions aimed to help students understand their emotions, strengthen interpersonal relationships, and develop life skills essential for personal and academic success.

Through interactive activities, reflective discussions, collaborative learning, and experiential exercises, students were encouraged to become self-aware, emotionally resilient, and socially responsible individuals. The sessions created a safe and supportive environment where learners felt confident to express themselves while respecting the thoughts and feelings of others.

— Correspondent

Emotional Recognition Activities Foster Self-Awareness

Students participated in engaging activities that helped them recognise, understand, and express different emotions in positive and healthy ways. Through games, discussions, and reflective exercises, they learned that emotional awareness is the first step towards building confidence and healthy relationships.

— Correspondent

Mindfulness Activities Encourage Positive Thinking

Mindfulness sessions conducted during the month enabled students to practise deep breathing, relaxation techniques, and focused attention. These activities promoted emotional balance, stress management, and self-control while encouraging learners to maintain a positive outlook in their daily lives.

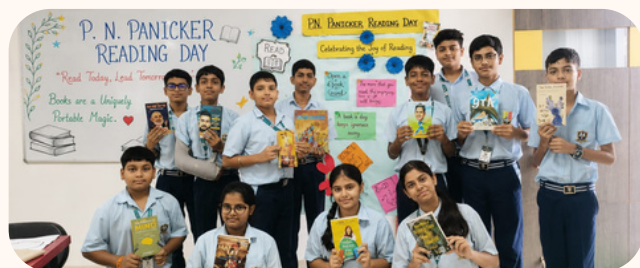

— Correspondent

Building Strong Relationships Through SEL

Collaborative activities and classroom discussions focused on teamwork, communication, empathy, gratitude, and responsible decision-making. Students learned to appreciate different perspectives, resolve conflicts peacefully, and build meaningful relationships based on trust and mutual respect.

These sessions strengthened essential life skills that prepare learners to become confident, compassionate, and responsible members of society.

— Correspondent

Creating a Culture of Well-Being

The Mental Wellness and SEL initiatives led by Ms. Nandita and Ms. Anu continue to play a significant role in nurturing emotionally healthy learners. By integrating emotional intelligence with everyday learning, Prominence World School empowers students to face challenges with resilience, confidence, and optimism while fostering a school environment where every child feels valued, respected, and supported.

Celebrating Learning, Culture and Life Skills

The month of July was filled with vibrant celebrations and engaging learning experiences that nurtured creativity, curiosity, and holistic development among students. From special assemblies and cultural celebrations to experiential learning activities, Kaushal Bodh, Kaushal Vikas, and exciting Pre-Primary programmes, every initiative reflected Prominence World School's commitment to making learning joyful, meaningful, and skill-oriented.

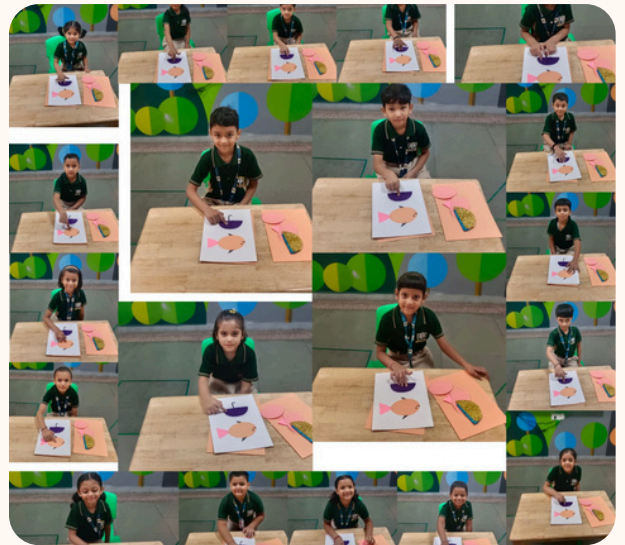

By integrating values, creativity, and practical learning into everyday experiences, the school continued to provide students with opportunities to grow intellectually, socially, emotionally, and culturally.

— Correspondent

Joyful Learning in the Pre-Primary Wing

The Pre-Primary classrooms remained vibrant throughout the month with a variety of age-appropriate activities designed to encourage exploration and joyful learning. Through storytelling, music, art, movement-based games, sensory play, and interactive classroom experiences, young learners developed communication, creativity, motor skills, and social confidence in a happy and nurturing environment.

— Correspondent

Kaushal Bodh: Developing Essential Life Skills

The Kaushal Bodh programme encouraged students to develop important life skills through hands-on activities and collaborative learning experiences. Learners explored problem-solving, decision-making, communication, creativity, and teamwork while participating in engaging classroom tasks that connected learning with real-life situations.

These activities strengthened confidence and prepared students to become independent and responsible individuals.

— Correspondent

Kaushal Vikas: Learning Through Experience

The Kaushal Vikas activities provided students with opportunities to apply knowledge through experiential learning. Activity-based sessions promoted critical thinking, innovation, collaboration, and practical understanding while encouraging learners to explore their interests and talents beyond the traditional classroom setting.

The programme reflected the school's commitment to nurturing twenty-first-century skills and preparing students for future challenges.

— Correspondent

Every Celebration, A Learning Opportunity

Every celebration and activity conducted during the month served as an opportunity to strengthen values, encourage creativity, and develop essential life skills. Whether through cultural festivals, experiential learning, or skill-development programmes, students discovered that learning becomes most meaningful when knowledge is combined with joyful experiences and active participation.
